

# GHS DRAMA PARENT ORGANIZATION

The Greenfield High School Drama Parent Organization (DPO) supports the theatre program at Greenfield High School. Working together we:

- help ensure the continued quality of the theatre program
- promote and publicize theatre performances and events
- organize fundraising projects for theatre scholarships and other resources that benefit the GHS Drama Club

The GHS Drama Club works hard every year to produce high quality shows for the school and community. Your contributions support our ability to continue to provide exceptional theatre experiences for our students.

The DPO Board uses parent e-mail addresses to send out "Sign-up Genius" requests for volunteers to assist with the various activities during Tech Week and performances. We may also send information through the Hawks Drama group on the "Band" app.

## Opportunities to support the Drama Club include:

- Tech Week meal items
- Raffle Baskets for Musical

Volunteers:
